

Tiger-Consulting Newsletter - May 2014

Dear Clients – This month, we announced a major milestone: 200 Customers. For 20 years, Tiger has become the go-to boutique firm supporting operations across Asia, but it's been just seven years since we started supporting clients directly. Thanks for your confidence and referrals. We are committed to growing our services and experienced team to ensure the continued delivery of premium customer care.
Sincerely – Neil Satterwhite, Tiger-Consulting Founder & CEO
