Tiger-Consulting Newsletter – Summer 2016

July 12, 2016

Dear Loyal Clients and Partners –

Tiger-Consulting, a firm that simplifies the process by which international companies strategically expand outside their borders, announced last month the firm now offers HR, Payroll and employment support in Madagascar, Pakistan and Bahrain. Working with a different provider in each country or region can be taxing and cost-prohibitive to strategic expansion. Through its own regional offices and by collaborating with strategic partners worldwide, Tiger-Consulting offers regional expertise and local support, while clients continue to enjoy the luxury of working with just one Tiger Consulting account manager. Thank you for your continued support.” Warm Regards – Neil Satterwhite, Founder and CEO
